Teaching Quality Assurance Manual

Read/Download
The Learning & Teaching Committee is responsible to the Academic Board. An external quality audit system that complements the internal quality assurance mechanisms includes d) Student-centred learning, teaching and assessment.

The structure and content of the Quality Manual meet the requirements. The original manual, "Quality Assurance Handbook for Sri Lankan Universities 2002," outlines the curriculum, which is delivered using teaching and learning methods. The Quality Assurance and Enhancement team are responsible for developing, managing and supporting the development of the UCS Teaching and Learning Strategy and associated annual priorities.

The Directorate of Quality Assurance was set up in May 2000 and has firmly established policies and procedures that are detailed in the Quality Assurance Manual (QAM). An Intranet site is used by teachers to share good practice.
